- FNSB Draft Trails
- RS2477 Trails
- Unconstructed Road
- Constructed Road
- NE Townships
- Pipeline
- Railroad
- Water Bodies
- Military Lands
- Ft. Wainwright Noise Contour

REMEMBER:

Road corridors in the plan will only be dedicated on private property at the time that land owners subdivide.

The subdivision process allows for some flexibility in road alignment and design as long as the alternative corridor achieves the same goals as the connection identified in the plan.

The Road Plan is intended to encourage and support the FNSB and developers working together to develop a road system that protects the health, safety, and well-being of the community.
